## Summary

I am serving as CEO of the start-up Sentia Legislative Information. This is an internet-based information service connects business executives to important legislative information in a clear and timely way. We plan on licensing in May '08.

## Specialties

Research and Sales

---

## Experience

### **Research Assistant at Brigham Young University**

May 2007 - Present (1 year 1 month)

I have worked for two professors researching numerous issues such as elections, presidential speeches, Germany, Russia and the European Union. I have learned statistical analysis and other research skills dealing with finding, sifting and analyzing data. My responsibilities have also included creating a web page, escorting scholars and dignitaries and helping with the logistics for the "Europe and the Management of Globalization" conference May '08.

### **Research Assistant at Brigham Young University**

May 2007 - Present (1 year 1 month)

---
