Are your political candidates:

Wise and Decisive?
Stimulating?
Energetic?
Inspiring?
Fearful?
Conformist?
Arrogant?
Hedonistic/Materialistic?
Power-hungry?
Humanistic/Compassionate?
Curious?
Emotionally Stable?

How do you know?

‘Ask what you can do for your country’

The Visual Values Project is a non-partisan, non-profit effort to estimate the basic Values of candidates in the 2012 state and national elections. The project uses modern text and video analysis tools to provide a visual pattern reflecting the values of individual candidates.
